Are you ready?

Register NOW for Fall 2018 Kindergarten

August may be months away, but register your child now for Kindergarten in the Lake Wales Charter Schools.

When you sign up early, you help us plan the best possible program for your Kindergarten student in August 2018. You will be invited to special “Kindergarten Week” activities during the summer to help prepare your child (and your family) for school in the fall.

Students who live in a school’s attendance zone are given preference; if space in Kindergarten is full, students will be placed on a waiting list for the next available opening.

Register now so your child won’t miss any of the fun! Contact your closest Lake Wales Charter Schools elementary school:
